

**IMMEDIATE PAST PRESIDENT
OVCBCHW
David Swanberg**

Dave Swanberg worked for Howard S. Wright for over 35 years before retiring to Lopez island in 1993. He and Peggy built a waterfront home there, sold it 2 years later and built another home in the interior of the island where they started their current herd of horses. In 2001 they moved to Tonasket and built a third home. Dave and Peggy joined the Okanogan Valley Chapter in 2002. In November Dave missed the meeting and when Peggy returned home she informed him that he was the newly elected VP. Dave is now in his 6th year as President. On the state level Dave is Ways & Means Chairman. Dave also is serving as the Alternate Director. Under Dave's leadership the Okanogan Valley chapter has flourished and is now one of the most successful chapters in the state.
